

Accessibility Statement

Last Updated: October 19, 2025

At Grandma's House, we are committed to making our website accessible and inclusive for all visitors. We believe everyone should be able to browse, shop, and enjoy our site comfortably and confidently, regardless of technology or ability.

Our Commitment

We strive to ensure that our website, www.shopatgrandmashouse.com, meets or exceeds the accessibility standards outlined in the Web Content Accessibility Guidelines (WCAG) 2.1 Level AA. Our ongoing efforts aim to provide an accessible digital experience for users with visual, auditory, cognitive, and motor impairments.

Accessibility Features

We've implemented a variety of accessibility features, including:

- Text alternatives for non-text content (such as images and icons).
- Logical heading structures for easy navigation.
- Keyboard accessibility for users who navigate without a mouse.
- Clear color contrast and readable fonts.
- Descriptive link text and accessible form labels.

We are continuously reviewing and updating our site to enhance accessibility.

Assistive Technologies

Our website is designed to be compatible with commonly used assistive technologies, including:

- Screen readers (such as JAWS, NVDA, and VoiceOver).
- Speech recognition software.
- Browser zoom and text resizing tools.

Ongoing Efforts

Accessibility is an ongoing effort for Grandma's House. We regularly test our website, work with accessibility consultants, and welcome feedback from our community to identify areas of improvement.
